

General Information

Program Goal:

To provide clinical and practice information in diabetes management, education & research.

Program Learning Objectives:

1. Participants will be able to utilize new knowledge to enhance teaching skills.
2. Participants will be able to integrate new research findings into practice.
3. Participants will be able to identify strategies to improve glycemic control among patients.

Target Audience:

Professionals who work with people who have diabetes, including but not limited to Certified Diabetes Educators, Nurses, Dietitians, Nurse Practitioners, Pharmacists, Social Workers, Physician Assistants, and Physicians.

Conference Sponsors:

Association of Diabetes Educators of Utah (ADEU), an affiliate of the American Association of Diabetes Educators (AADE), and the Utah Diabetes Prevention & Control Program.

Continuing Education Credits:

Nurses: Application has been submitted to the Utah Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Dietitians: Attendance & completion of the evaluation are required for credit. A certificate of credit will be issued to those completing the evaluation.

Pharmacy CE: Available through approved provider.

Membership: For ADEU and AADE membership visit www.diabeteseducator.org/membership/chapter/join.html

Scholarships: Available to members. For more information email Ginny Burns, ginny.burns@imail.org

Special Meal Requests: Please submit requests for gluten free or vegetarian meals to Lisa Bean, lisa.bean@imail.org
