Association of Diabetes Educators of Utah (AADEU)

P.O. Box 58662

Salt Lake City, Utah 84158-0662

Program Goal:

To provide clinical and practice information in diabetes management, education & research.

Program Learning Objectives:

1. Participants will be able to identify racial/ethnic factors influencing diabetes management.
2. Participants will be able to utilize new knowledge to enhance teaching skills.
3. Participants will be able to integrate new research findings into practice.
4. Participants will be able to identify strategies to improve glycemic control among patients.

Target Audience:

Professionals who work with people who have diabetes, including but not limited to Certified Diabetes Educators, Nurses, Dietitians, Nurse Practitioners, Pharmacists, Social Workers, Physician Assistants, and Physicians.

Conference Sponsors:

Association of Diabetes Educators of Utah (AADEU), an affiliate of the American Association of Diabetes Educators (AADE), and the Utah Diabetes Prevention & Control Program.

Continuing Education Credits:

Nurses-An application has been submitted to the Utah Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Dietitians- An application for continuing education credit has been submitted to the ADA. Attendance & completion of the evaluation are required for credit. A certificate of credit will be issued to those completing the evaluation.
